

MFA Series 2 - Aluminum

Expansion joint cover system

Innovative solutions for Pedestrian Areas

The MFA Series 2 expansion joint system is designed for minimum rebate installations with a block out required of only 20H x 20W mm.

Examples of applications such are:

- Shopping & retail centres
- Hospital walkways, corridors & public buildings
- Indoor and outdoor public spaces

Features

- Foot safe for Pedestrian Traffic
- Minimum Rebate Required
- Surface or rebate fixed
- Suited well to retrofit outs
- Standard Length = 4.8 meters

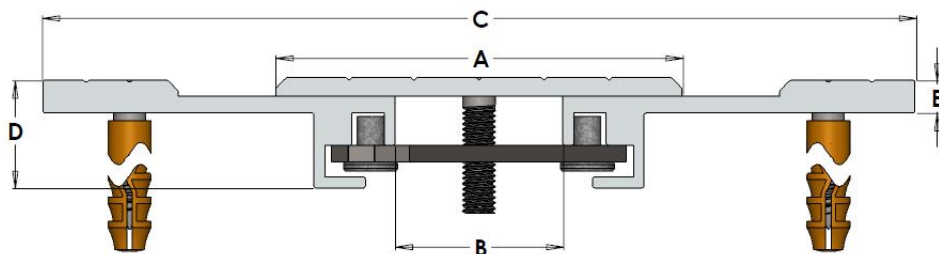

Benefits

- Low maintenance though design simplicity
- Economical solution for slab on ground applications
- Structural Grade ensures extended serviceability
- Base system incorporates anchoring points
- Can be installed to suit all floor finish types including tile, carpet, stone, vinyl, concrete and epoxy floors.

Other Options

- Griplate™ Cover Plate Available to conform AS NZS 4586, non slip surfaces.
- Stainless Steel Cover plate options
- All Stainless Steel (MFSS) or all Brass (MFB) models available
- Water, Vermin and Fire barrier
- Recommended bedding material
- Ramset Premier Grout

Block out Dimensions
20 H x 20 W

Physical Data

All measurements
stated are in mm.

Code	A = Coverplate		B = Gap				C = Exposed Width			D	E
